

## STANDARD TERMS AND CONDITIONS – NUTRIFY

1. **Applicability.** In the absence of a Master Procurement Agreement, the terms and conditions set forth herein, along with each Contract Confirmation entered into by the parties (collectively, the “**Agreement**”), shall govern the arrangement between Nutrify, LLC (“**Buyer**”) and the seller listed on the Contract Confirmation (“**Seller**”) for the purchase and sale of conventional and organic grains and feed ingredients identified in the Contract Confirmation (the “**Goods**”). If no objection is made to this Agreement immediately, the same shall be considered final and will signify Seller’s acceptance, effective as of the date of the Contract Confirmation. No term or condition of this Agreement may be altered or superseded without written consent from Buyer’s authorized representative. Buyer hereby objects to the inclusion of any terms proposed by Seller that are different from or additional to the terms of this Agreement, including but not limited to any terms or conditions contained in Seller’s Purchase Order (“**PO**”), general terms and conditions of sale or any other document issued by Seller in connection with Buyer’s order of Goods. Buyer’s acceptance of delivery of any Goods shall not constitute acceptance of any terms proposed by Seller.

2. **Shipping Terms.** All Goods shall be delivered to the address specified in the Contract Confirmation (the “**Delivery Location**”) during Buyer’s normal business hours or as otherwise instructed by Buyer. Buyer may designate any reasonable alternate delivery points if necessary to expedite Seller’s performance of the Agreement, but Buyer shall have no obligation to do so. If Seller is arranging delivery, Seller will ensure all additional Buyer carrier requirements are followed, in addition to Buyer’s environmental, health and safety requirements, each as may be amended from time to time, as set forth at <https://www.thewengergroup.com/contact-us/>, which requirements are incorporated herein by reference. Seller warrants that its carriers are adequately insured and, in the absence of adequate insurance, agree to be jointly and severally liable for carriers retained by Seller.

3. **Price.** The price of the Goods is the price stated in the Contract Confirmation (the “**Price**”) and, unless otherwise specified, the Price includes all packaging, transportation costs to the Delivery Location, insurance, customs duties and fees and applicable taxes, including, but not limited to, sales, use or excise taxes. No increase in the Price is effective without the prior written consent of Buyer’s authorized representative.

4. **Title and Risk of Loss.** Title to the Goods and the risk of loss of the Goods passes to Buyer as described in the respective National Grain & Feed Association (“**NGFA**”) Trade Rules. Buyer shall not be liable to Seller for any incidental or consequential damages.

5. **Delivery Date and Demurrage.** Seller shall schedule with Buyer mutually agreeable delivery dates a week in advance of actual delivery (the “**Delivery Date**”). Buyer shall not be responsible for demurrage charges if Seller delivers Goods following a timely notice of one (1) business day in advance of the Delivery Date by Buyer that storage space is full or otherwise unavailable and Buyer is unable to accommodate delivery of the Goods.

6. **Failure to Timely Deliver.** Timely delivery of Goods is of the essence. A delivery of Goods is untimely if all Goods on a given Contract Confirmation are not received in full within fifteen (15) days of the agreed upon Delivery Date. Upon failure by Seller to timely deliver Goods, Buyer may, in its sole discretion: (a) afford Seller additional time to fulfill the Contract Confirmation subject to Seller’s agreement to a mutually agreeable discount on the Price; (b) repurchase the product in the open market for Seller’s account,

and Seller will pay Buyer any loss and consequential or incidental damages or expenses resulting therefrom; or (c) without further obligation, cancel the Agreement in its entirety without liability or penalty to Buyer and assess a minimum penalty of \$0.20 per unfulfilled bushel.

7. **Packaging.** All Goods shall be packed for shipment according to Buyer’s instructions or, if there are no instructions, in a manner sufficient to ensure that the Goods are delivered in undamaged condition.

8. **Nonconforming Goods.** Upon failure by Seller to deliver Goods that conform to (a) the minimum specifications issued by Buyer, whether by written notice to Seller through the Contract Confirmation, by posting on Buyer’s webpage, or otherwise (the “**Specs**”), and (b) applicable federal, state, local and foreign food safety and labeling laws and regulations, Buyer may, in its sole discretion: (i) reject the Goods; (ii) apply discounts to the Price; (iii) repurchase the Goods in the open market for Seller’s account, and Seller will pay Buyer any loss and consequential or incidental damages or expenses resulting therefrom; (iv) require Seller, at its own cost, to promptly replace the Goods and pay for all related expenses, including, but not limited to, transportation for the return of defective or nonconforming Goods to Seller and delivery of replacement Goods to Buyer; or (v) without further obligation, cancel the Agreement or any Contract Confirmation in its entirety without liability or penalty to Buyer.

9. **Intervening Governmental Action.** Any Goods, irrespective of grade, which are prohibited entry into the United States or otherwise tagged, seized, condemned, the subject of a recall order or request or declared unfit by any state, federal or other governmental agency may not be applied to fulfill any Contract Confirmation, and ownership of such Goods will remain with Seller. Any Goods or portion thereof which are reasonably determined by Buyer to not be in compliance with the National Organic Program of the United States Department of Agriculture (“**USDA NOP**”) may not be applied to fulfill any Contract Confirmation, and ownership of such Goods will remain with Seller. Any change in the Price or other terms of any Contract Confirmation caused by government act or regulations will entitle Buyer to cancel any unshipped portion thereof without liability or penalty.

10. **Payment Terms.** Seller shall issue an invoice to Buyer on or any time after the completion of delivery and only in accordance with the Agreement. Buyer shall pay all properly invoiced amounts due to Seller in accordance with the invoice terms, except for any amounts disputed by Buyer in good faith. All payments hereunder must be in U.S. dollars.

11. **Setoff.** Without limiting any of Buyer’s remedies, Buyer reserves the right to set off at any time any amount owing to it by Seller against any amount payable by Buyer to Seller under a Contract Confirmation or any and all other contracts or agreements between Buyer and Seller.
